

# GS/DURAPULSE Accessories – Miscellaneous

**GS3-KPD**

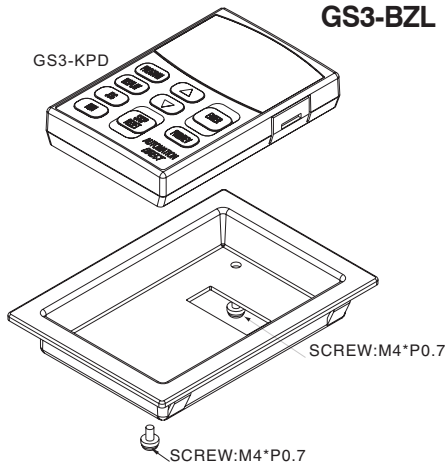

**GS2-KPD**

**GS-RS485-4**

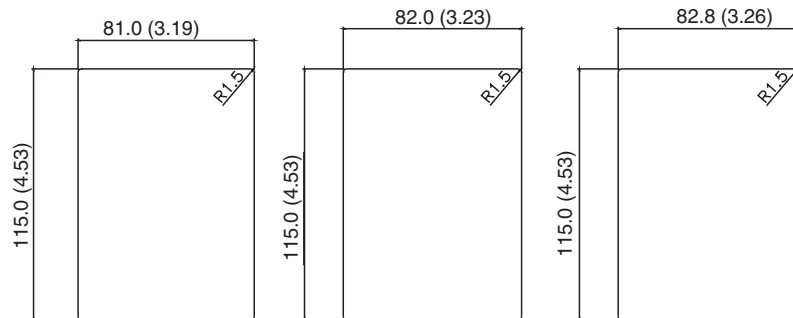

**GS-RS485-8**

**GS3-BZL**

The GS3-BZL Flush Mount Bezel Kit allows remote mounting of the DURAPULSE removable keypad. The Bezel Kit has a Protected Chassis, IP20 enclosure rating. The thickness of the panel will determine required screw hole dimensions:

$t = 1.0 (.0393) - 1.4 (.0551)$       $t = 1.6 (.629) - 2.0 (.0787)$       $t = 2.2 (.0866) - 3.0 (.1181)$

**GS-CBL2-1L**

**GS-CBL2-3L**

**GS-CBL2-5L**

GS/DURAPULSE Drives Miscellaneous Accessories			
Part Number	Drive Model	Description	
<b>GS-232CBL</b>	GS1, GS2, GS3/DURApulse	Configuration Cable required for GSoft configuration software
